Subject: RE: CES Environmental Services - Administrative Record Documents (1 of 2)

Gary,
I've been trying to get CES entered into SEMS ever since I started working on the Action Memo. I can't get started on the Administrative Record until it is entered with the CERCLIS ID into SEMS. If anyone knows how to get it entered any faster than contacting Nancy Yarberry, please help. I checked SEMS this morning and it is still not there.

Thanks so much.

Karen:

Please complete the Administrative Record. It needs to be out on the street by October 26 (I think).

Amy, if the date is not correct, please let Karen know.

Thanks
